

"Access to safe water is a fundamental human need and therefore a basic human right."
- Kofi Annan, Former UN Secretary General

AIS15 - Under Sink RO System

In India, over one lakh people die of water-borne diseases annually. It is reported that groundwater in one-third of India's 600 districts is not fit for drinking as the concentration of fluoride, iron, salinity and arsenic exceeds the tolerance levels.

A World Resources Report says: about 70 per cent of India's water supply, is seriously polluted with sewage effluents.

Water-borne diseases like cholera, gastroenteritis, diarrhoea erupt every year during summer and rainy seasons in India due to poor quality drinking water supply and sanitation.

Protect your family from waterborne diseases
RO+UV Technology The most reliable and effective technology which provides 100% pure and safe drinking water at the convenience of your home.

6 Stage Filtration Including

RO: Removes even harmful dissolved impurities like fluorides etc.

UV: for Chemical free Disinfection of bacteria and viruses.

AMC for purifiers available

Pure & Safe

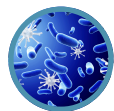

24 x 7 availability of Pure Water

Removes all dissolved chemicals

After Sales Services

Removes all Viruses & Bacteria

1 year comprehensive warranty

Fully Automatic Operation

Converts any water to drinking water

8 hours service Guarantee

100% Pure & Safe DRINKING WATER with RO+UV TECHNOLOGY

FEATURES

- RO+ UV Smart Technology
- Pre Filter with Antiscalant
- 6 stage purification and Alkaline Remineralization
- 15 ltrs/hr Capacity
- Hydropneumatic Storage Tank 5 Gal
- ABS Food grade body
- Fully Automatic with Auto On and Off
- Stainless Steel Faucet for dispensing

TECHNICAL SPECIFICATIONS

Maximum production output	75 GPD
Maximum feed water pressure	10 psi
Normal feed water temperature	5 deg.C - 35deg.C
Rejection	95% Salt Rejection
R.O. Membrane	Thin film composite
Operating pressure	45 to 100 psi
Feed water pH range	6.5 to 8.5
Maximum iron in feed	<0.2ppm
Maximum feed hardness	<120ppm
Maximum feed TDS	<1500ppm
Maximum feed turbidity	<5NTU

2nd floor, 8-1-284/OU/ 566, OU Colony, Shaikpet, Hyderabad 500008, Telangana State, INDIA
