Solution for
Pure Water

➤AQUALITY = HYGIENIC >> HEALTHY >> SAFE➤

Aquality's infrared sensor-based water dispenser combines innovation and hygiene, featuring contactless operation for safe drinking water. Made from durable SS304 stainless steel, it boasts a modern design and offers UV + Ozone or Commercial RO & UV purification options. The dispenser can provide water at normal, hot, and cold temperatures, and configurations can be customized based on site conditions, making it ideal for industrial and institutional use.

Schools, Colleges, Offices, Hospitals, Industries and Public Places like Mall, Bus stand, Railway station and Airports.
